Stonelees Golf Members Club and Stonelees Ladies Golf Members Club are operated entirely by their Members. They offer organised competitions, social functions and handicap allocation. Tees are reserved for major Club competitions. The clubs have been a great success with highly competent and energetic Committees, justifying our philosophy that golf should be available to all and that golf clubs need not be the elitist and dreary places that many people still imagine them to be. The Clubs charge an entry fee to cover their costs and EGU membership. Prices are obtainable on application. **Membership of Stonelees Golf Members Club or Stonelees Ladies Golf Members Club are distinct from membership of the Centre and do NOT entitle you to discounted fees or tee booking. You may of course be a member of both i.e. take advantage of the discounted fees and the Members Club benefits.**

Any money left on membership cards at the end of the year will be transferred upon renewal, however, if you choose not to renew we cannot return the money, therefore all money on your card should be used up before the new membership year.
